What is Protegé?

An intensive program for the most talented and hard-working students which allows them to cultivate their art through training practice, evaluation and participation in all aspects of production of a major musical both on-stage and behind-the-scenes.

Benefits of the program:

- * More challenging productions & classes
- * Single-cast shows
- * Apprentice with LYAC Artistic Staff
- * On -going evaluation
- * More specialized skills
- * Work behind-the-scenes

Requirements of the program:

1. Audition
2. Available from January to June for shows and classes
3. Max. 30 students If only 10 are qualified that is all we will accept
4. Take classes over the 6 month commitment
 - 1 each: acting, dance, music (Semester = 12 classes)
(Of course you are eligible to take as many classes as you like)
5. Assist as crew in at least one production that you are not in
