

### Membership Payment Options

**\*Please note all memberships freeze during July and August. Payments will resume in September for our TAP & Protégé members\***

**Total Arts Package: \$150 per Month.** This package requires a first and last month payment at registration (\$300). For the second month and on a \$150 will automatically be deducted from your credit card. We only accept payment via check/cash if it is paid in full per semester plus the last month payment (semesters go from Sept.-Jan. and Feb.-June). The last month payment will only go towards your child's last month with LYAC. So if you sign your child up in Sept. and go through June your credit card will be charged for the month of June. If we receive written notice before June 1<sup>st</sup> that your child will not be returning in September then the last month payment given at registration will be used for your child's June payment.

**Show Only Package: \$450** for one Main Stage Production (plus a \$50 program fee, which will be returned if the student sells \$50 or more in program ads). This package is available online and is the best way to pay and accept your child's part. If you wish to pay via check/cash you can do so by downloading the registration form and returning it to our office by the deadline given via email when the cast list is sent out. Please make sure to reply to the email letting us know that: 1) your child is accepting his/her part and 2) that you will be sending in the payment rather than paying for it online.

**Jr. Company (Ages 5-12): \$400** for one child/session. This package is available online and is the best way to pay for your child's tuition. Please make sure to choose from the dropdown menu which day you are signing your child up for. If you wish to pay via check or cash you can do so by downloading the registration form online and returning it to our office with payment by the first day of rehearsal.
