

COVID-19 THEATRE POLICY

For everyone's protection and peace of mind, Lighthouse Youth Theatre is requiring proof of full COVID-19 vaccination with an FDA- or WHO-authorized vaccine for our audiences. All audience members 16 years of age and older are required to be fully vaccinated before entering the theatre and must show proof of vaccination with a valid photo ID. Fully vaccinated means that at least 14 days have passed since the final dose of any FDA or WHO authorized or approved vaccine.

To expedite entry into the theatre, we recommend use of the Excelsior Pass and corresponding photo ID for anyone who was vaccinated in New York State, or the Clear Health Pass to show proof of vaccination. Other proof of vaccination which clearly identifies the vaccine received and the date of the last dose, along with a corresponding photo ID will also be accepted.

All audience members are required to wear facial masks that cover the nose and mouth at all times while in the theatre.
