***Please note** that we are doing our best to offer our spotlight group for fall, but if enrollment is not met we will have to merge lollipop and spotlight groups. This means it will change rehearsal, tech and show times. If this should happen we have already included that possible schedule change for you to view and make sure it works with your child's school schedule prior to signing up. Again, this is another challenge this pandemic has thrown our way and we just want to give you all the info we can in advance for a successful fall session. Thank you!!
